by Sarah Fielke <http://www.thelastpiece.net>

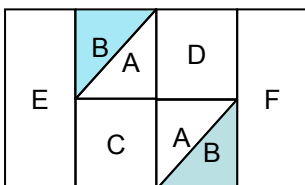

To Start: From Fabric A cut 3 squares, 3 7/8"
From Fabric B cut 3 squares, 3 7/8"

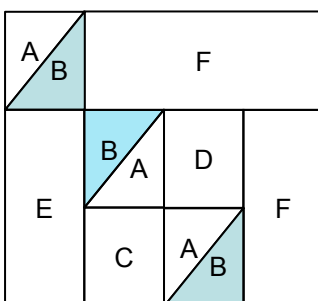

1. Cross cut these squares on one diagonal to form six triangles from each fabric. Sew the triangles together in pairs of Fabric A and B, to form 6 square blocks. Cut the ears off the triangles and press.

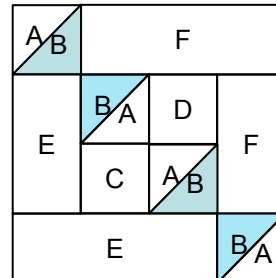

2. From Fabric C and Fabric D cut one square, 2 1/2". Sew each of the squares to a triangle unit square, taking care to look at the diagram for the placement of the fabrics and triangles. Sew the pairs together to form a square.

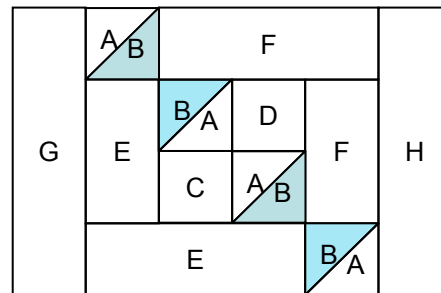

3. From Fabric E and Fabric F cut a piece 2 1/2" x 4 1/2". Sew the E fabric to the left hand side of the block and the F fabric to the right hand side.

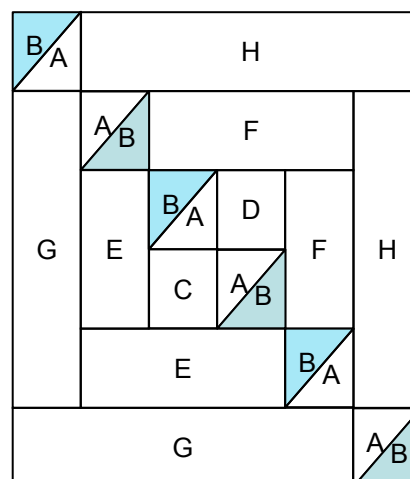

4. From Fabric F cut a piece 2 1/2" x 6 1/2". Sew a triangle unit to the left hand short end of the strip, checking the diagram for the direction of the triangle. Sew this strip to the top of the block.

5. From Fabric E, cut a piece 2 1/2" x 6 1/2". Sew a triangle unit to the right hand short end of the strip, checking the diagram for the direction of the triangle. Sew this strip to the bottom of the block.

6. From Fabric G and Fabric H cut a piece 2 1/2" x 8 1/2". Sew the G fabric to the left hand side of the block and the H fabric to the right hand side.

7. From Fabric G and Fabric H cut a piece 2 1/2" x 10 1/2". Sew a triangle to the left hand side of the H fabric and to the right hand side of the G fabric. Sew the H to the top of the block and the G to the bottom of the block and press.

8. Finished! :)
